4.DRAG DROP
You are the Microsoft 365 administrator for a company.
You identify the following requirements:

Department	Office desktop products required	Requirements
acquisitions	Yes	Users require Office desktop products and must be able to schedule audio conferencing calls.
customer service	No	Users must be able to collaborate with other users and view their work schedules each week.
finance	Yes	You must automate investigation and response to threats against finance department content.
purchasing	Yes	Users require Office desktop products but do not require audio-conferencing capabilities.

You need to purchase Office 365 subscription based on the requirements for each department. Which type of subscription should you use for each department? To answer, drag the appropriate license types to the correct departments. Each license type may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content. NOTE: Each correct selection is worth one point.
